# Love Song for No One

John Mayer

**Intro:** $A^{add5}$, $A^{add5}$/B, $A^{add5}$/C#, $D^{add9}$ (2x)

**$A^{add5}$** **$A^{maj7add9}$** **$AG^{add5}$**
Staying home alone on a Friday, flat on the floor looking back
**$G^{add5/9}$** **$D^{add9}$**
On old love, or lack thereof
After all the crushes have faded, and all my wishful thinking was wrong
I'm jaded, I hate it

**Chorus:**
**$A^{add5}$** **$A^{add5}$/C#** **F#$^{m7}$** **$D^{add9}$**
I'm tired of being alone so hurry up and get here
So tired of being alone so hurry up and get here, get here

**Intro (1x)**

Searching all my days just to find you, not sure who I'm looking for
I'll know it when I see you
Until then I'll hide in my bedroom, just staying up all night just to write
a love song, for no one

**Chorus: (no intro after)**

**Break**
**Bm** **Aadd5** **Dadd9**
I could have met you in a sandbox
**Bm** **Aadd5** **F#m7**
I could have passed you on the sidewalk
**Bm** **Aadd5** **Dadd9** **$G^{add5/9}$**
Could I have missed my chance and watched you walk away

**Intro (short guitar solo)**

I could have met you in a sandbox
I could have passed you on the sidewalk
Could I have missed my chance and watched you walk away

**Chorus (3x ends with)** You'll be so good, you'll be so good for me.
