Sweet Emotion

D A riff\*  
Talk about things and nobody cares  
Wearin' out things that nobody wears  
Callin' my name, but I gotta make clear  
I can't say, baby where I'll be in a year

D A riff\*

Riff\*\* x4

Some sweet talkin' mamma with a face like a gent  
Said my get up and go must've got up and went  
Well I got good news, she's a real good liar  
'Cause a back stage boogie set your pants on fire

Sweet Emotion  
Sweet Emotion

I pulled into town in a police car  
Your daddy said I took you just a little too far  
You tellin' 'em things but your girlfriend lied  
You can't catch me 'cause the rabbit done died (yes he did)

Riff\*\* x4

Standin' in the front just a-shakin' your ass  
I take you back stage, you can drink from my glass  
I talk about something you can sure understand  
'Cause a month down the road I'll be eatin' from your hand
