Let Your Love Flow

Bellamy Brothers

Intro: D, D/G, D, D/G

There's a (D) reason for the sunshine (Dsus)sky,
There's a (D) reason why I'm feelin' so high.
Must be the (A) season when that love light shines all a- (D) round us.
So let that (D) feeling grab you deep in- (Dsus/G) side
And send you (D) reeling where your love can't hide
And then go (A) stealing through the summer nights with your (D) lover. (D7)

Chorus:

Just let your (G)love flow like a mountain stream
And let your (D) love grow with the smallest of dreams
And let your (A) love show and you'll know what I mean
It's the (D) season.
Let your (G) love fly like a bird on the wing
And let your (D) love bind you to all living things,
And let your (A) love shine, and you'll know what I mean,
That's the (D, Dsus)reason. (D, Dsus/G)

There's a reason for the warm sweet nights
There's a reason for the candle lights.
Must be the season when those love rites shine all around us.
So let that wonder take you into space
And lay you under its loving embrace
Just feel the thunder as it warms your face
You can't hold back.

Chorus

Repeat 1st verse and chorus if you want the song to go longer
