

You May Be Right
Billy Joel

Intro: A (4x) with riff

(A) Friday night I crashed your party, saturday I said I'm sorry
Sunday came and trashed me out (E) again
I was (Bm) only having fun, wasn't (G) hurting anyone
And we (E) all enjoyed the weekend for a (A) change (riff) 2x

A major w/
clever A-crossover
(bc)

I've been stranded in the combat zone, I walked through bedford sty alone
Even rode my mororcycle in the rain
And you told me not to drive, but I made it out alive
So you said that only proves that I'm insane

- melody is
in A major

CHORUS:

You may be (E) right, I may be (A) crazy
But it (E) just may be a (D) lunatic you're (F#m) looking for...
Turn out the (E) light, don't try to (A) save me
You may be (D) wrong, for all I (E) know you may be (A) right (riff) 4x

~~Handwritten scribble~~

Remember how I found you there, alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man, I said take me as I am
'Cause you might enjoy some madness for a while

Now think of all the years you tried to find someone to satisfy you
I might be as crazy as you say
If I'm crazy then it's true, that it's all because of you
And you wouldn't want me any other way

~~Handwritten scribble~~

Chorus

Solo: Rhythm as verse

Chorus

(A) You may be wrong but you may be right
(A) You may be wrong but you may be right
(A) You may be wrong but you may be right
(A) You may be wrong but you may be right

(Riff) 4x to end
