

Come to My Window -- Melissa Etheridge

(original intro is different, but has been changed for my version)(Also, Key lowered from G to D)

G^{add9} D A (4 times, aggressively, with cool solo over it)

(G^{add9}) I would dial the (D) numbers
Just to (A) listen to your breath
And (G^{add9}) I would stand (D) inside my hell
And (A) hold the hand of death
(G^{add9}) You don't know how (D) far I'd go
Just to (A) ease this precious ache
(G^{add9}) You don't know how (D) much I'd give
Or (A) how much I can take
Just to (Bm) reach you, (G) just to (A) reach you, oh, to (Bm) reach you (G)(A)

CHORUS:

(D) Come (G^{add9}) to my (Em7) window (A)
(D) Crawl in(G^{add9})side, (Em7) wait by the (A) light of the (D) moon
Come (G^{add9}) to my (Em7) window, (A) I'll be home (D) soon (G^{add9}, Em7, A)

(G^{add9}) Keeping my eyes (D) open, I can(A)not afford to sleep
(G^{add9}) Giving away (D) promises, I (A) know that I can't keep
(G^{add9}) Nothing fills the (D) blackness that has (A) seeped into my chest
I (G^{add9}) need you in my (D) blood, I am fore(A)saking all the rest
Just to (Bm) reach you, (G) just to (A) reach you, oh, to (Bm) reach you (G)(A)

CHORUS

(Bm) I don't care what they they think (Bm)(A)(G)
I don't care what they say (G) (G/F#) (Em)
What do they know about this love (A) anyway (Asus4 A)

D G^{add9} Em7 A *(twice, arpeggiated, not strummed, with bass prominent)*

G^{add9} D A
Come, come to my window, I'll be home
I'll be home, I'll be home, I'm comin' home

CHORUS
