The Eagles

intro:

E\*\*=( E9 A E E9)

He was a (E\*\*) hard-headed man, he was brutally handsome  
And she was terminally pretty  
She held him up and he held her for ransom  
In the heart of the cold, cold city  
He had a (A) nasty reputation as a cruel dude  
They (E) said he was ruthless, said he was crude  
They had (B) one thing in common, they were good in bed  
She'd say, (A7\*) "faster, faster, the lights are turning red"

(intro riff) (Life in the fast lane) Surely make you lose your mind  
(Life in the fast lane)

(E\*\*) Eager for action and hot for the game  
The coming attraction, the drop of a name  
They knew all the right people; they took all the right pills  
They threw outrageous parties; they paid heavenly bills  
There were (A) lines on the mirror, lines on her face  
She (E) pretended not to notice, she was caught up in the race  
(B) Out every evenin' until it was light  
He was (A7\*) too tired to make it, she was too tired to fight about it

(intro riff) (Life in the fast lane) Surely make you lose your mind  
(Life in the fast lane)  
(Life in the fast lane) everything all the time  
(Life in the fast lane) uh huh

we've been up and down this highway, haven't seen a god-damn thing  
He said (A) "call the doctor, I think I'm gonna crash"  
The (E) doctor say he's coming, but you gotta pay him cash  
They (B) were rushing down that freeway, messed around and got lost  
(A7\*) They didn't care, they were just dyin' to get off, and it was
