

Little Miss Can't Be Wrong  
Spin Doctors

intro: (G D C) X4

Been a whole lot easier since the witch left town  
Been a whole lot happier without her face around  
Nobody upstairs gonna stomp and shout  
Nobody at the back door throwin' my laundry out  
She hold the shot gun while you do-se-do  
She want one man made of Hercules and Cyrano  
Been a whole lot easier since the witch is gone  
(G) Little miss, little miss, little miss (D) can't be (C) wrong

CHORUS:

(G) Little miss, little miss, little miss (D) can't be (C) wrong  
(G) Ain't nobody gonna bow no more when you (D) sound your (C) gong  
(G) Little miss, little miss, little miss (D) can't be (C) wrong  
(G) What you gonna do to get into (D) another one of these here (C) rock & roll songs

Solo:

(G D C) repeat 8 times

Other people's songs, they ain't your hand-me-downs  
Would it be so bad if you simply turned around  
You cook so well, so nice and fresh  
You do your... brain surgery to mamma wit' yo monkey wrench

Chorus

**\*\*break\*\***: (G Bb C) X4  
(G Bb C) X4 wth emphasis!

I hope them cigarettes are gonna make you cough  
I hope you hear this song and it pissed you off  
I take that back, I hope you're doing fine  
And if I had a dollar, I might give you ninety nine
