

Still Got The Blues

By Gary Moore

* Originally in Am, transcribed in F#m for easier singing

Bm7 Bm7/E Amaj7 Dmaj7 G#m7-9 C#7 F#m (2x)

(Bm7) Used to be so (Bm7/E)easy (Amaj7) to give my heart (Dmaj7)
away (G#m7-9)

But I found out the (Db7) hard way there's a (F#m) price you have to pay

(Bm7) I found out that (Bm7/E) love (Amaj7) was no friend of (Dmaj7)
mine (G#m7-9)

I should have known, (C#) time after time

(F#m) So (C#m) long, it was (F#m) so long (B9) ago

But I've (D9) still got the (C#9) blues for (F#m) you

Used to be so easy Fall in love again

But I found out the hard way, it's a road that leads to pain

I found that love, was more than just a game

You're playin' to win, but you'll lose just the same

(F#m) So (C#m) long, it was (F#m) so long (B9) ago

But I've (D9) still got the (C#9) blues for (F#m) you

(G#m7) So many (C#) years, (F#m) since I've (G#m7) seen your (A) face

(G#m7) But here in my (C#) heart, there's an (Dmaj7) emp(Aadd2)ty

(dmaj7)space

Where you used to (F#m)be

Solo: Rhythm as in verse#1

(F#m) So (C#m) long, it was (F#m) so long (B9) ago

But I've (D9) still got the (C#9) blues for (F#m) you

Though the (F#m) days come and (C#m) go, there's (F#m)one thing I
(Badd2) know

I (D9) still got the (C#9) blues for (F#m) you

Solo: Rhythm as in verse #1 (2x) to end
