

# Taking Care of Business

By BTO

Intro: C Bb F C (x4)

You (C) get up every morning from the (Bb) 'larm clock's warning  
Take the (F) eight-fifteen into the (C) city  
There's a whistle up above, people push and people shove  
And there's the girls who try to look pretty  
And if your train's on time, you can be to work by nine  
And start your slavin' jobs and get your pay  
If you ever get annoyed, look at me I'm self-employed  
I love to work at nothing all day

Chorus:

And I'll be Takin' care of business.....every day  
Takin' care of business.....every way  
Takin' care of business.....it's alright  
Takin' care of business.....and workin' over time - work out

Repeat intro

It's as easy as fishin', you can be a musician  
If you can make sounds sort of mellow  
Get a second hand guitar, chances are you'll go far  
If you get in with the right bunch of fellows  
People see you having fun, just a-lyin' in the sun  
Tell them that you like it this way  
It's the work that we avoid, and we're all self employed  
We love to work at nothing all day

Chorus

Solo: x4

Drums alone 4 times through, guitar comes in: CC FFF Eb Eb Bb Bb Bb

Take good care Of our business  
When I'm away Every day
