

# Play That Funky Music Wild Cherry

Note: only the basic root changes are shown, you gotta make it funky  
intro: Guitar or Bass \*riff

(E9) Hey do it... now Yay-hey

Yeah there was a funky singer	Playin' in a rock & roll band
And never had no problems	Burnin' down the one night stands
And everything around me	Got to stop to feelin' to so low
And I decided quickly (yes I did)	To disco down and check out the show

## CHORUS:

(E7) Yes they was dancin', and singin' and movin' to the groovin'  
And just when, it hit me, somebody turned around and shouted

(G7) Play that funky music white boy

Play that funky music right

Play that funky music (Bb7) white boy

\*\*Lay down the boogie and play that funky music 'till you die

Till you die, oh 'till you die

Guitar solo: over "E9" funk

'E9) Now first it wasn't easy	Changing rock & roll and minds
And things were gettin' shaky	I thought I'd have to leave it behind
But now it's so much better	I'm funkkin' out in every way
But I'll never loose that feeling	Of how I learned my lesson that day
