(Riff)

When you wake up in the morning and the light is hurt your head
 The first thing you do when you get up out of bed
 Is hit that street -a- runnin' and try to meet the masses
 And (N.C.) go get yourself some cheap sunglasses

I spot a little thing and I followed her all night
 In a funky pair of Levis and her sweater's kind of tight
 She had a west coast strutthat was sweet as molases
 But what (N.C.) really knocked me out was the cheap sunglasses

(F G F G G Bb C Bb) Oh yeah,

Now go out and get yourself some big black frames
 With the glass so dark, they won't even know your name
 And the choice is up to you 'cause they come in two classes
 (N.C.) Rhinestone shades and cheap sunglasses
